

**Remington is pleased to announce the addition  
of its new international partner:**

**VISTA STRATEGIC PARTNERS LTD**

Vista Strategic Partners (VSP) is a unique business development oriented company which has developed an expertise in assisting small companies to do business in niche markets such as the Middle East, Eastern Europe, Asia and Africa.

VSP enables you to increase your global sales reach. VSP offers a hands-on speed-to-market approach to close deals and gain superior results. Through diverse international experience and relationships, VSP looks to assist businesses to form strategic alliances, build international sales channels, and seek new opportunities in EMEA and Asia Pacific, with a special focus on developing and emerging markets such as: Eastern Europe, Middle East GCC (Gulf Cooperation Countries), West Africa, Indian Subcontinent, and South East Asia.

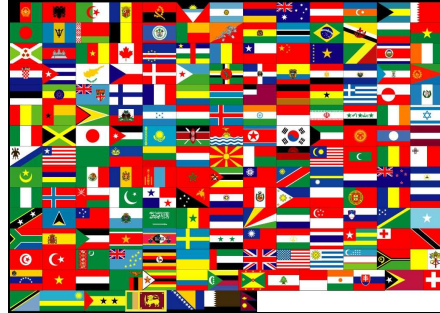

Similar to Remington's approach VSP not only consults and guides its client companies but actually does the work for them, therefore, empowering them to expand their business beyond their current operational and financial capabilities.

Remington works closely with VSP in identifying U.S. based companies interested to explore opportunities in VSP's markets of expertise.

## Foreign Expansion Service by Remington

In line with our international growth and through a network of partnerships we have established with similar companies such as ours, Remington is now in a position to offer any small U.S. company assistance in expanding their business internationally.

Our partners are located in key markets in Europe and the Middle East and bring to the table significant expertise and a vital local presence. At prices that are affordable to any sized company with service that is personal and adapted to the client's needs, our partners will establish, manage and grow your market, while Remington will take care of you here in the U.S.

Through our Foreign Expansion Services there is no need for you to seek local service providers, learn a new market/country before acting, develop a foreign strategy by yourself, learn a new language or even travel – all your international needs will be taken care of by our partner company in that country. The biggest advantage, however, lies in the fact that by working with Remington, and our international partners, you will not make the mistakes that newcomers typically make when expanding to a new market.

## The Remington ‘Mini Packages’

Check out our new services that offer solutions to immediate challenges that many businesses face before or during the first steps that they take in a new market, such as the U.S.

Currently the following Remington packages are available to any interested party:

- **Trade Show Package:** an efficient way to participate in a US/Canadian trade show without incurring significant expenses nor wasting valuable time!
- **Marketing USA Package:** we will Americanize your basic marketing material by translating and adapting your presentation, brochure, cover letter, recommending changes to website (new American website possible), organizing a new business card and more.
- **Meeting Package:** we are available to show up at a meeting in your name with or without you, and/or organize the logistics around a meeting anywhere in the U.S.
- **Operations Optimization Package:** you can benefit from our expertise in efficiency and low cost operations through our recommendations that will immediately reduce your costs and streamline your operation. Or you can even transfer the administration of your business, on a temporary basis, to us during these difficult times.
